Into the Valley

Advisory - the following lyrics contain explicit language:

Into the valley, betrothed and divine
Realization's no virtue but who can define
Why soldiers go marching those masses a line?
This disease is catching from victory to stoneAhoy, ahoy, land, sea and sky
Ahoy, ahoy, boy, man and soldier
Ahoy, ahoy, deceived and then punctured
Ahoy, ahoy, why should they die?Out of concealment, blank and stark eye
Why so uncertain? This culture deceives
Prophesied, brainwashed, tomorrow's demise
All systems failing, the placards unrollAhoy, ahoy, land, sea and sky
Ahoy, ahoy, boy, man and soldier
Ahoy, ahoy, deceived and then punctured
Ahoy, ahoy, why should they die?
Why should they die?It's time for the audit, the gathering trial
From Baghdad to Bagram they march and still go
Will we find courage to stand and say no
A collector's dilemma, repositioned and filedAhoy, ahoy, land, sea and sky
Ahoy, ahoy, boy, man and soldier
Ahoy, ahoy, deceived and then punctured
Ahoy, ahoy, why should they die?Into the valley, betrothed and divine
Realization's no virtue but who can define
Why soldiers go marching those masses a line?
This disease is catching from victory to stoneLa, la, la, la, la, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la, la, la
Into the valley, into the valley
Into the valley, into the valley
