

Monster Truck

Mz. Champagne

[Hook]

She got that pussy like a monster truck truck, get it up vroom bitch get it up.

She got that pussy like a monster truck truck, get it up vroom bitch get it up.[Verse 1]

I like a nigga to be loquacious audacious I got that pussy they'll

Put you in the matrix so taste it, I like to fuck an acquaintance cause I

Do not like the maintenance no patience is

What I teach a nigga on relations, gully.

Got them tugs-waring with my pussy,

So ring around the rosy with this pocket full of pussy then he huff and puff

And try to blow down this pussy, this peter piper picked this pretty pussy like a rookie.[Hook]

She got that pussy like a monster truck truck, get it up vroom bitch get it up.

She got that pussy like a monster truck truck, get it up vroom bitch get it up.[Verse 2]

He said he like how I'm backing it up like a tonka toy

I told him eat it baby,like a smorgasbord, boy I like a nigga

With manners who utilizes that crammer

And give me good grammar...while I'm fucking your face

You got to chitter chatter oh what a splatter now you can hit this pussy

Like a pitter patter...

I'm freaky deaky baby I like it greasy you need it this kinky to keep

Me baby make it wet like cry baby[Hook]

She got that pussy like a monster truck truck, get it up vroom bitch get it up.

She got that pussy like a monster truck truck, get it up vroom bitch get it up.
