Growing getting better you're not the person they see
Can't be mad at the things you been through cuz they built yo muscle
Now you're stronger than you ever been they can't stop yo hustle
Yo Faith ain't never small that's what brought you this far
See you got your dreams and you got your prayers and you got Yo God he gone take you there
See everybody has a season and I believe this one's yours
Cuz you been workin waitin this what you been prayin for
Chorus
Go get it, Go Get it, Go get it, Go get it, Go get it
Go get yo blessing
Go get it, Go get it, Go get it, Go get it, Go get it, Go get it
