

Popular Song (feat. Ariana Grande)

Mika

La la, la la
You were the popular one, the popular chick
It is what it is, now I'm popular 'ish
Standing on the field with your pretty pompons
Now you're working at the movie selling popular corn
I could have been a mess but I never went wrong
'Cause I'm putting down my story in a popular song
Said I'm putting down my story in a popular song My problem, I never was a model
I never was a scholar,
You were always popular
You were singing, all the songs I don't know
Now you're in the front row
'Cause my song is popular Popular, I know about popular
It's not about who you are or your fancy car
You're only ever who you were
Popular, I know about popular
And all that you have to do, is be true to you
That's all you ever need to know
Catch up, cause you got an awful long way to go
Catch up, cause you got an awful long way to go I was on the lookout for someone to hate
Picking on me like a dinner plate
I hid during classes, and in between them
Dunk me in the toilet now its you that cleans 'em
You tryin' to make me feel bad with the things you do
It ain't so funny when the joke's on you
Uh, the joke's on you
Got everyone's laughing, got everyone clapping, asking
How come you look so cool?
'Cause that's the only thing that I've learned at school
Said that's the only thing I've learned at school My problem, I never was a model,
I never was a scholar,
But you were always popular,
You were singing, all the songs I don't know
Now you're in the front row
'Cause my song is popular Popular, I know about popular
It's not about who you are or your fancy car
You're only ever who you were
Popular, I know about popular
And all that you have to do, is be true to you

That's all you really need to know
Catch up, cause you got an awful long way to go
Catch up, cause you got an awful long way to go Popular, I know about popular
It's not about who you are or your fancy car
You're only ever who you were
Popular, I know about popular
It's not about who you are or your fancy car
You're only ever who you were
Popular, I know about popular
And all that you have to do, is be true to you
That's all you really need to know
