

Here We Go

Girls Aloud

Take it away boys Put your tongue in my ear, it's queer but kind of fun
We're the tomorrow generation, there's much to be done
So madam fashion, darling step this way
The modern girl's delighted to be risqu Here we go, we're gonna rock 'n' roll till we stop, and then we'll drop
It's a squeeze but if you just say please then that's fine, it'll be sublime
The bass line cuts deeper than the sharpest stiletto
So one, two, three, now baby, here we go Here we go, here we go
I'm your sugar-coated doll and you're my Romeo
Here we go, here we go
Geek or unique, hell, get on with the show
Here we go, here we go
I'm your sugar-coated doll and you're my hero
Here we go, here we go, here we go Sugar, give me your face and place it next to mine
Cause darling grease is the word and boy the word's divine
I don't do sex but I do do second base
So I suggest you wipe that frown from off your face Here we go we're gonna rock 'n' roll till we stop, and then
we'll drop
It's a squeeze but if you just say please then that's fine, it'll be sublime
The bass line cuts deeper than the sharpest stiletto
So one, two, three, now baby, here we go Here we go, here we go
I'm your sugar-coated doll and you're my Romeo
Here we go, here we go
Geek or unique, hell, get on with the show
Here we go, here we go
I'm your sugar-coated doll and you're my hero
Here we go, here we go, here we go go-go-go Go-go-go
Here we go, here we go
I'm your sugar-coated doll and you're my Romeo
Here we go, here we go
Geek or unique, hell, get on with the show
Here we go, here we go
I'm your sugar-coated doll and you're my hero
Here we go, here we go, here we go go-go-go Here we go, here we go
I'm your sugar-coated doll and you're my Romeo
Here we go, here we go
Geek or unique, hell, get on with the show
Here we go, here we go
I'm a sugar-coated doll and you're my Romeo
