Less

Ben Harper & The Innocent Criminals

I could give you more
But you still wouldn't be happy
I could give all you need
But you still wouldn't be satisfied
I could give to our poor
Now what good would that be
You'd shake hands with Jesus
And you still would not believeIf you're happy with nothing
You'll be so very happy with me
The less you expect
The more you'll be pleased
The more you'll be pleased
I could change your mind
But what would you really be thinkingI'll show you a sign
But you just pass it on by
I could hold your hand
But then we'll both be sinking
The problem with the world
Is everyone's not just like you
If you're happy with nothing
You'll be so very happy with me
The less you expect
The more you'll be pleased
The more you'll be pleased
If you're happy with nothing
You'll be so very happy with me (repeat)
So happy with nothing
So happy with me
