

A Gain

Devendra Banhart

Mama had such high hopes for me
Lover dont know where those hopes go
Mamas gonna buy me a DVD When the Saints marchin to the W hotel
Mamas gonna buy me new hair gel Lovers gonna tell me love dont last
Mamas gonna tell me I aint high class Lovers gonna be a long lost biological father
Lovers gonna give me the worst day of my life
Mamas gonna tell me the world I thought was the world is not the world
Lovers gonna make me a hungry man
