

# All Because of You

## Jump5

Sunlight on the windowpane  
Something new runnin' through my veins  
Every day is like a new beginning  
It's something 'bout the way I'm feeling  
When You say You love me Your words are ringin' over and over  
Changing everything I thought I knew  
I know a love that's true  
And it's all because of You (all because of You) I'm always wallowing in my mistakes  
It doesn't always seem to go my way  
You come to me and everything's OK  
It's something 'bout the way I'm feeling  
When You say You love me I fall more in love with You  
Every time You say You love me  
Your words are ringing  
I know it's all changing  
All because of You, of You
