

# As a Matter of Fact

## General Public

Matter of order  
As a matter of fact  
First to get told  
Last to get asked  
Just mind your ass  
When the buck gets passed  
Mind over matter  
As a matter of fact  
As a matter of fact  
The cards are stacked  
As a matter of fact  
It's a matter of class  
What's the matter?  
What's the matter?  
What's the matter?  
What's the matter?  
What's the matter?  
What's the matter?  
As a matter of fact? Someone's been lying in my bed  
And wearing my clothes  
Roses to start with  
But now nothing in the garden grows  
It's all the same yes  
But it's not the person I know  
Roses to start with  
But as a matter of fact  
It's no more than an act What's the matter  
What's a matter  
As a matter of fact?  
Matter of fact?  
Hopping mad it's as simple as that What's the matter  
What's a matter  
As a matter of fact?  
Matter of fact  
Ha ha No more predictions  
You'll just have to follow your nose  
Stranger than fiction  
Well a'int that the way the story goes?  
What kind of world is this

Where the blood flows faster than wine?  
Roses are red yes  
And now I'm seeing red as a sign of the times Wassamatter  
Wassamatter  
As a matter of fact?  
As a matter of fact  
I'm hopping mad 'cause the bland lead the blind Wassamatter  
Wassamatter  
As a matter of fact?  
As a matter of fact Someone's been lying in my bed  
Roses to start with  
But now nothing in the garden grows  
It's all the same yes  
But it's not the person I know  
No no no  
Roses to start with  
But as a matter of fact  
It's no more than an act What's the matter  
What's the matter  
As a matter of fact?  
Matter of fact  
Hopping mad it's as simple as that What's the matter  
What's the matter  
As a matter of fact?  
Matter of fact? It's a matter of order  
It's a matter of class  
First to get told  
Are the last to get asked  
Just mind your ass  
When the buck gets passed  
Mind over matter  
As a matter of fact  
It's a matter of class  
As a matter of fact  
The cards are stacked  
Matter of fact  
What's the matter?  
What's the matter?  
What's the matter of fact  
Matter of fact?  
Take that  
How's that, how's that, how's that, how's that, how's that
