Peace On You

Charlie Rich

God ain't gonna love you any
'cause you loved too many more
He ain't gonna trust you baby
He never could before
God ain't gonna like the way
You cheated on me down here below
He ain't gonna love you any
'cause you loved too many more
Besides me baby, yeah
Peace in the valley
Peace in the sea
Peace to all the little children and me
And peace on youGod ain't gonna love you any
'cause you loved too many more
He ain't gonna trust you baby
He never could before
If I was you then I'd start wondering
Which direction I would go
He ain't gonna love you any
'cause you loved too many more
Besides me baby, yeah
Peace in the valley
Peace in the sea
Peace to all the little children and me
And peace on you
