

Generation 13 (Theme #1)

Saga

(instrumental)3. All Will Change (Goodbye And Good Luck)I want to touch you but if I touch you

All will change

I want to hold you but if I hold you

All will change

I've been here watching you all through the night

Why does it scare me so to look into your eyes

Where will you go, what will you do

Who will you meet, what will become of you?

Your mother won't see you she's far too afraid

And I don't have the money to keep you today

Maybe someday our paths will cross

It's better this way, good-bye and good luck

I want to touch you but if I touch you

All will change

I want to hold you but if I hold you

All will changea) The Cross (Home #3)
