

Run away

Sunstroke project

Oh...
forget, let me breathe, let me live
Just run away from my mind
Oh... forgive, I don't need, I won't breathe
Just get away from my life You've lost one and all so fly away
Over the clouds, under the sky
Never come back and run away
With all your might, give up you I don't believe anymore, your shallow heart
I know that it's you who chose to play this trick
I'll never forgive you, not for anything
And now you are left with nothing
Oh...
forget, let me breathe, let me live
Just run away from my mind
Oh... forgive, I don't need, I won't breathe
Just get away from my life Oh...
forget, let me breathe, let me live
Just run away from my mind
Oh... forgive, I don't need, I won't breathe
Just get away from my life There is no other time to making happiness, you have mistaken
We have no progressive future, I know your lying nature
There is no other time to making happiness, you have mistaken
We have no progressive future, I know your lying nature
Oh...
forget, let me breathe, let me live
Just run away from my mind
Oh... forgive, I don't need, I won't breathe
Just get away from my life Oh...
forget, let me breathe, let me live
Just run away from my mind
Oh...
forgive, I don't need, I won't breathe
Just get away from my life
