Next Thing Leaving Town

-Jeff Weaver, Dan Brooks, Jim Stack, Rarely Herd Music, BMI

As soon as I can tell you goodbye
the better off I will be found
I'll make a deal, on anything with wheels
it dont matter where I'm bound

A car, a train, a motorbike or plane
an 18 wheeler loaded down
I'd take the interstate on a pair of roller skates
as long as I am leaving town

[chorus]

I dont have to worry, dont have to care
you'll be lonesome looking for me everywhere
Then you will see, the back of me
on the next thing leaving town

[bridge]

I've known the last of your cheating ways
I've seen the last of my lonely days
I've heard the last of them slamming doors
now you wont trouble me no more

I'll make a deal, on anything with wheels
it dont matter where I'm bound
Then you will see, the back of me
on the next thing leaving town

on the next thing leaving town
on the next thing leaving town
