

Finding Me Out

The Friday Night Boys

Park my car right across from her house last night
Climb the tree just to see if she'd turn on the lights
Slipped and fell to the ground
I'm not sure but I
Think she saw me driving away
I think she knows what I'm trying to say
But I don't know how She's finding me out
It's bringing me down
'Cause nothing's as hard as the first time
I'm fooling myself
She'll never be mine
It's too late now
She's finding me out
She's finding me out Passed her by in the hall
Felt my heart beat fast
Turned around and
I swear I saw her looking back
Walked my way
Thought she waved
But it wasn't me
Must have been to somebody else
Tried to hide it but I think she could tell
That I'm falling now She's finding me out
It's bringing me down
'Cause nothing's as hard as the first time
I'm fooling myself
She'll never be mine
It's too late now
She's finding me out
She's finding me out She's beautiful
Popular
Scared that I don't belong in her world
I can't sleep
When I can't believe
And I've got a feeling
That she's on to me
To me She's finding me out
It's bringing me down
'Cause nothing's as hard as the first time

I'm fooling myself
She'll never be mine
It's too late now
She's finding me out
'Cause nothing's as hard as the first time I'm fooling myself
She'll never be mine
It's too late now
She's finding me out
Out
She's finding me out
Out
