Don't Let Me Go

[Billy Squier](#)

Over and over--wanderin' through the years
Life is a diamond--love is a trail of tears
Sometimes I want you--sometimes I want to fly
I know when I find you
No one can stop me now--break you
Don't let me go--don't let me
Watchin' the seasons--can't let you pass me by
Turnin' the pages--why do we have to lie
You are the reason--yours are the final eyes

And when I hold you
No one can touch me now--break-through
Don't let me go--don't let me
Never wanna say goodbye--never wanna make you cry
Never wanna see you go
Now every time I close my eyes
You're the one who makes me realize
Don't let me go
