

Long Night

The Corrs

It doesn't really matter now you're gone
You never were around that much to speak of
Didn't think that I could live without you, baby
It couldn't be that hard to live alone
But I'm all, all alone again
Thinking you will never say
That you'll be home again
And it's gonna be a long night
And it's gonna be cold without your arms
And I'm gonna get stage fright, caught in the headlights
It's gonna be a long night and I know I'm gonna lose this fight
Once upon a time we fell in love
And I thought that I would be the only one
But now I'm on, I'm on my own again
Thinking you will never show
You won't be home again
And it's gonna be a long night
And it's gonna be cold without your arms
And I'm gonna get stage fright, caught in the headlights
It's gonna be a long night and I know I'm gonna lose this fight
Lost in your arms baby, lost in your arms
Now I'm on my own again
Thinking you will never show
You won't be home again
And it's gonna be a long night
And it's gonna be cold without your arms
And I'm gonna get stage fright, caught in the headlights
It's gonna be a long night and I know I'm gonna lose this fight
I'm gonna get stage fright, caught in the headlights
It's gonna be a long night and I know I'm gonna lose this fight
I'm lost in your arms baby, lost in your arms
