Shout To The Top

The Style Council

I was half in mind, I was half in need
And as the rain came down
I dropped to my knees and I prayed
I said, "Oh heavenly thing, please cleanse my soul
Ive seen all on offer and Im not impressed at all"I was halfway home, I was half insane
And every shop window I looked in just looked the same
I said, "Now send me a sign to save my life
Cause at this moment in time there is nothing certain in
These days of mine"Ysee its a frightening thing when it dawns upon you
That I know as much as the day I was born
And though I wasnt asked, I might as well stay
And promise myself each and every dayThat when youre knocked on your back and your lifes a flop
And when youre down on the bottom theres nothing else
But to shout to the top, well we're gonna shout to the top
We're gonna shout to the top, we're gonna shout to the top
Hey, we're gonna shout to the topYsee its a frightening thing when it dawns upon you
That I know as much as the day I was born
And though I wasnt asked, I might as well stay
And promise myself each and every dayWe're gonna shout to the top, shout
We're gonna shout to the top, shout
We're gonna shout to the top, shoutWe're gonna shout to the top, shout
We're gonna shout to the top, shout
We're gonna shout to the top, shoutSo when youre knocked on your back and your lifes a flop
And when youre down on the bottom theres nothing else
But to shout to the top, well, we're gonna shout to the top
We're gonna shout to the top, we're gonna shout to the topAnd when youre knocked on your back and your lifes a flop
And when youre down on the bottom theres nothing else
But to shout to the top, we're gonna shout to the top
We're gonna shout to the top, we're gonna shout to the top
Hey, yeah, shout to the top
