

# Red

## Michael Grimm

I'm alright standing in the street lights here  
Is this meant for me?  
Is my time on the outside over?  
We all know how you've spend all of your days  
Knowing that love isn't here  
You see the pictures  
But you don't know their names  
Cause love isn't here

And I can't do this by myself  
All of these problems, they're all in your head  
And I can't be somebody else  
You took something perfect and painted it red

No sympathy, when shouting out is all you know  
Behind your lies, I can see the secrets you don't show  
We all know how you've spend all of your days  
Knowing that love isn't here  
You see the pictures  
But you don't know their names  
Cause love isn't here

And I can't do this by myself  
All of these problems, they're all in your head  
And I can't be somebody else  
You took something perfect and painted it red

You take the best things from me  
Then everything gets empty  
That's not a world that I need

You take the best things from me  
Then everything gets empty  
That's not a world that I need

And I can't do this by myself  
All of these problems, they're all in your head  
And I can't be somebody else  
You took something perfect and painted it red

I can't do this by myself  
All of these problems, they're all in your head  
And I can't be somebody else  
You took something perfect and painted it red

You took something perfect and painted it red  
You took something perfect and painted it red  
You took something perfect and painted it red
