

Sacred Name (YHWH)

Citipointe Live

Verse 1:

In reverence we surrender to You now
Our intentions are pure we offer You this vow
To give our lives completely for Your cause each day
Take up the cross, You bore our sin You made a way

Verse 2:
Manifest Your presence Lord of hosts we bow
Let the sound of heaven rain, pour it out

Pre-Chorus:
Your name is too sacred for utterance
Yet all of creation worships You, and we sing

Chorus:
Yahweh mighty is the Lord forever

Holy is the King our Saviour
Hosanna Jesus You have saved us
O Jehovah Hallelujah Hallelujah
