

# Me And You

Brenton Wood

Me and you  
Let's get away from it all  
Me and you  
Havin' a ball You know  
We've been together a long time  
And you know what  
We can get a little old lightweight thang goin'  
If we really put our hearts to it  
You try and I try  
Girl, there's no tellin' how far we can go  
Remember those lovin' fools Romeo and Juliet  
They thought they had a thing goin'  
But they just didn't know, they couldn't visualize  
They had no idea how it would really be  
But we know Me and you  
Let's get away  
Me and you  
Havin' a ball Oh, oh, oh, oh, oh  
Oh, yeah Yes, Lord  
We know, don't we, darlin'  
We won't be wastin' our time fussin' and fightin'  
Like other people  
We're gonna be too busy bein' in love  
But love, this is the real thing  
We found a groove, heh  
We move each other  
We turn each other on  
This could last forever  
All we need to do is give some kinda sign  
Yes, Lord  
From then on, baby, it's easy  
Let's talk about me and you Me and you  
Let's get away  
Me and you
