

# Tall Story Teller

## Arabesque

He's always telling stories  
That's how he got his name - big Ballyhoo.  
It's very very boring It's ev'ry day the same - big Ballyhoo.  
Whatever he is saying  
He is telling a lie  
But he tells you why it's true.  
He is a tall story teller He says that Rockefeller  
Became a millionaire  
'cause he gave him the tips  
And he taught him the tricks.  
He is a tall story teller -  
Why do I love this feller? I really don't low why  
But I know it's true  
That he loves me too  
And that is not a lie.  
So we are goin' to marry  
Because I love this man - big Ballyhoo.  
I said you're very caring  
But you must understand - big Ballyhoo.  
Be sure if you ever gonna tell me a lie  
I'm saying good bye to you.  
He is a tall story teller  
...  
Ballyhoo Ballyhoo - yes I love him  
yes I do.  
Ballyhoo Ballyhoo - and I know he loves me too.  
He is a tall story teller  
...
