Anniversary

Robert Plant

What is this land, that I have found
Bitter silence all around
It's the anniversary
Feel the fear, and sad defeat
Keeps my fragile haunted peace
On the anniversary
Through these dark and lovely streets
Drag my ragged defeat
It's the anniversary
The anniversary
It's the anniversary
How far is hate,
away from this
Reluctant heated kiss
On the anniversary
The anniversary
The anniversary
Ooh
I don't want to feel your kiss no more
I don't want to feel your kiss no more
I don't want to feel your kiss no more
Oh oh oh oh
I don't want to feel your kiss no more
Oh oh oh!
