

# Don't Dog Your Woman

## Buster Brown

Well, I woke up this mo'nin  
Early with the risin' sun  
Woke up this mo'nin  
Woke up with the risin' sun  
Well, I thought about my baby  
And all the good she doneWell, my heart beat like a hammer  
My eyes got full of tears  
Well, my heart beat like a hammer  
My eyes got full of tears  
Well, she been gone 'bout a hour  
But it seem like a thousand yearsWell, I should-a loved her more  
I know I didn't treat her right  
Well, I should-a loved her more  
I know I didn't treat her right  
Well, a woman like that  
You need to love ev'ryday and night  
Yeah!(harmonica & instrumental)Woo  
Woo  
Woo  
Woo  
Woo  
Well, don't never dog your woman  
You know you doin' wrong yourself  
Don't never dog your woman  
You know you doin' wrong yourself  
She get the devil in her mind  
Go wild 'bout somebody's else.~
