

Walkashame

Molotov Cocktail Piano

Oh my God, I put my pants on inside out
I couldn't tell 'cause the lights were out
I beat the sunrise again, oh oh oh
Neighbors stare, I smile and wave 'cause I just don't care
They're probably jealous of my sexy hair
And the heels in my hands
Well please don't judge, it was made late
I had a lot to drink
But I was only being safeWell don't act like you haven't been there
7 A.M. with the bed head
Everyone knows it's the walkashameMy daddy knows I'm a good girl
We all make mistakes in the drunk world
Everyone here's on the walkashameOh my brain, little bird sound like airplanes
How could something so cute cause me so much pain
Well please don't judge, it was made late
I had a lot to drink
But I was only being safeWell don't act like you haven't been there
7 A.M. with the bed head
Everyone knows it's the walkashameMy daddy knows I'm a good girl
We all make mistakes in the drunk world
Everyone here's on the walkashameI might be walking but it's only 'cause I'm out of breath
Don't even try to act like you ain't done the same yourself
And if you're gonna do the walk, do it like a boss, a boss
That's right
A little bit of rum in my tummy, yum yum
Must shake it up, and dance like a dummy, dumb dumb
He kissed me and he called me his babe
Asked me to stay
How could I turned that away?
Don't judge, it was made late
I had a lot to drink
But I was only being safeDon't act like you haven't been there
7 A.M. with the bed head
Everyone knows it's the walkashameMy daddy knows I'm a good girl
We all make mistakes in the drunk world
Everyone here's on the walkashameDon't act like you haven't been there
7 A.M. with the bed head
Everyone knows it's the walkashameI said a walk, a walk
Do the walk, the walk, oh walk

Do the walk, the walk, walk walk
It's the walkashame
