Now common sense might take offense  
when the media turns away from current events  
pass the plate, pass the buck there's no luck  
for getting an answer [...]

I already live in a country who's [...]  
Now common sense might take offense  
when the media turns away from current events.  
Pass the blame, pass the buck, there's no luck  
for getting an answer [...]  
saboteurs and connoisseurs, what's your objective  
this is definitely not a collective.  
i think i'm going to bury my head in sand,  
light a stick a dynamite and die as planned.
