

# If You Believe

[George Harrison](#)

You can worry your life away with  
Not knowing what each new day may bring to you  
Or take each day as it goes on  
Wake up to the love that flows on around you  
If you believe, if you believe in you  
Everything you thought is possible, if you believe  
If you believe in me  
All your love's reflected back when you believe  
Too many troubles you can't control  
To get you falling into the holes they dig for you  
Get up, you have all your needs, pray  
Give up, and it all recedes away from you

If you believe, if you believe in you  
Everything you thought is possible, if you believe  
If you believe in me  
All your love's reflected back to you, if you believe  
If you believe in you  
Everything you hope [Incomprehensible], if you believe  
If you believe in me  
All your love's reflected back, if you believe  
If you believe in you  
Everything you thought is possible, if you believe
