Destroy Everything

Combichrist

I wanna fucking tear you apart
Crushing your will to survive in the dark
I'm going to consume your fucking heartDestroy, everything, fuck the norm
What's normal anyway? You fucking cunt
Be a beast, be one with the stormDestroy, fuck it, everything
Destroy, fuck it, everything
Destroy, fuck it, everything
Destroy, fuck itDestroy, fuck it, everything
Destroy, fuck it, everything
Destroy, fuck everyone
Destroy, fuck it
Can't be a shark if you live like a lamb
And your God can't save you, the fucker's a scam
Trust no one, they never had your backAlways be better than the person you were
On your knees for the world like a fucking whore
Annihilate everything in your pathFuck itDestroy, fuck it, everything
Destroy, fuck it, everything
Destroy, fuck everyone
Destroy, fuck itDestroy, fuck it, everything
Destroy, fuck it, everything
Destroy, fuck everyone
Destroy, fuck it
Hail the king, the lord of the dark
Blade through flesh, we swim in blood
Hail the king, the lord of the dark
He lives within, your body, your castle
Hail the king, the lord of the dark
An honorable life, an honorable death
Hail the king, the lord of the dark
It's always been you, you are your king
