

# Love Too Much

## Hunter Hayes

Tell me where did we go wrong  
If it's all good intentions  
Why are we scared of living  
Yeah the weight of the world  
Its hold enough to hold already  
Why does it gotta be so heavy  
Baby it's the little things  
Maybe we can change the world  
One heart at a time

You can't say you love too much  
You can't say you care enough  
There's no such thing as reaching to far  
We've all got a heart  
And you can't say love too much  
You can't say love too much

As simple as I word you say  
You never know the lives you can change  
Never know the souls you can save  
And I bet it happens everyday  
Cause everybody's got a story, a past, or a song of glory  
Just take a look around  
Somebody needs you now  
You're somebody's hero somehow

You can't say you love too much  
You can't say you care enough  
There's no such thing as reaching to far  
We've all got a heart  
No you can't say love too much  
And no you can't say love too much

No  
I can't sleep tonight  
Its burning in my mind  
If I could change the world one heart at a time  
Oh I would start with mine

Yeah

(can't say, can't say)

Oh you can't say

You can't say you love too much

You can't say you care enough

There's no such thing as reaching to far

We've all got a heart

No you can't say love too much

(can't say can't say)

No you can't say love too much

(can't say can't say)
