

# Cyanide Sweet Tooth Suicide

## Shinedown

She's a still thrill of suicide they say  
Cyanide in her plastic veins  
She's a mannequin of misery  
She's on a bender  
But she ain't gonna break

Hey, hey

Taste like sugar, but it's Novocaine  
She's grinding teeth  
So she can sharpen the pain  
White lights, train wreck

[Chorus]

Black lips, pale eyes  
Cyanide sweet tooth suicide  
She's a killer  
She is mine  
Cyanide sweet tooth suicide

Strychnine  
Cerebellum feeds the brain  
Hurricane in a violent rage  
They say  
She's a looker just like Anna Nicole  
Oh, no  
Fuck the silver,  
Let's go straight for the gold

Hey, hey

Digging deeper than a six foot hole  
She's snorting cocaine through a suicide note  
White light, train wreck

[Chorus]

White lights, train wreck

[Chorus: Repeat x2]
