

# Stigmata

## Ministry

Stronger than reason, stronger than lies  
The only truth I know is the look in your eyes  
The look in your eyes Just like a car crash  
Just like a knife, my favorite weapon  
Is the look in your eyes, you've run out of lies You've run out of lies, you've run out of lies  
You've run out of lies, you've run out of lies  
You've run out of lies, you've run out of lies  
There's a ton locked in your empty eyes  
Get out of my life I'm chewing on glass  
And eating my fingers  
I'm not the one who's run out of lies, lies You've run out of lies, you've run out of lies  
You've run out of lies, you've run out of lies  
You've run out of time Cutting my face  
And walking on splinters  
I lost my soul to the look in your eyes, your eyes You ran out of lies, you ran out of lies  
You ran out of lies, you ran out of time  
Stigmata Oh, you have empty eyes, Oh, you have empty eyes  
Oh, you have empty eyes, Oh, you have empty eyes  
Oh, you have empty eyes, Oh, you have empty eyes  
Oh, you have empty eyes, they tell me nothing, nothing but lies
