That's My Car

Do Or Die

[AK 47]Just bet out da bed
Cross over to some warm nice head
Sippin' on da last night mo wed
Try na get dress
So I guess I pull out a tooth pic
Of a purf of a tooth pic
Lookin' too slick
All da way to da Strip
To drop off a new bitch
Hit da hydro to quick
Skeet to da last nigga on da hip pain[Johnny P.]When we be rollin' lacs
Little kids be like
That's my car
That's my car
When we be rollin' lacs
Little kids be like
That's my car
That's my car
