

# One and the Same

## Selena Gomez & Demi Lovato

Hey! Hey! Hey!  
La la la la la  
Hey! Hey! Hey!  
La la la la la You come from here, I come from there  
You rock out in your room, I rock a world premiere  
We're more alike than anybody could ever tell  
(Ever tell) Friday we're cool, Monday we're freaks  
Sometimes we rule, sometimes we can't even speak  
But we can get up and let loose and LOL  
(LOL) It may seem cliché for me to wanna say  
That you're not alone  
(That you're not alone)  
And you can call me uncool but it's a simple fact  
I got your back, yeah yeah yeah! 'Cause we're one and the same  
We're anything but ordinary  
One and the same  
I think we're almost legendary You and me, the perfect team  
Chasing down the dream  
We're one and the same! Hey! Hey! Hey!  
La la la la la I'm kinda like you, you're kinda like me  
When we write the same song in a different key  
It's got a rhythm you and me can get along  
(Get along) It may seem cliché for me to wanna say  
That you're not alone  
(Here I go again)  
And you can call me uncool but it's a simple fact  
I still got your back, yeah! 'Cause we're one and the same  
We're anything but ordinary  
One and the same  
I think we're almost legendary You and me, the perfect team  
Shaking up the scene  
We're one and the same! 'Cause we're one and the same  
We're anything but ordinary  
One and the same  
We're so good, more than momentary! 'Cause we're one  
(Yeah, yeah, yeah, yeah yeah)  
'Cause we're one  
(I think we're almost legendary)  
We're anything but ordinary! You and me, the perfect team

Chasing down the dream, oh  
You and me, the perfect team  
Shaking up the scene  
We're one and the same! Hey! Hey! Hey!  
La la la la la  
Hey! Hey! Hey!
