Psycho Girl

Area 7

She's so weird, it scares me
I don't think she likes me
And thinking of her name
Is driving me insane
She's my psycho girl
My psycho girlfriend
Everything I say
She takes it the wrong way
She's my psycho girl
My living nightmare
She's everything I need
But I can't stand her
I can't change her thinking
But she's so good looking
Thinking of her name
Is driving me insane
She's my psycho girl
My psycho girlfriend
Everything I say
She takes it the wrong way
She's my psycho girl
My living nightmare
She's everything I need
But I can't stand her
We spent the night in
We started fighting
Since then
It's never been the same
Thinking of her name
Is driving me insane
She's my psycho girl
My psycho girlfriend
Everything I say
She takes it the wrong way
She's my psycho girl
My living nightmare
She's everything I need
But I can't stand her
She's my psycho girl

My psycho girlfriend
Everything I say
She takes it the wrong way
She's my psycho girl
My living nightmare
She's everything I need
But I can't stand her
She's my psycho girl
My psycho girlfriend
Everything I say
She takes it the wrong way
She's my psycho girl
My living nightmare
She's everything I need
But I can't stand her
