Come Along (Ryddm Flip)

Titiyo

Play with it while you have hands
...
Dust settles, cities turn to sand
...Trespassing this is their land
...
Time flies, make a statement, take a stand
...
Come along now, come along with me
Come along now, come along and you'll seeWhat it's like to be free
...
Come along, come along with me
Come along now, come along and you'll see
What it's like to be free, yeah
...
Come along now, come along with me
And I'll ease your pain
Come along, come along with meAnd let's seize this day
Come along, come along with me
...
Stay out, stay clear but stay close
...
Friends, foes, God only knows...
Let's be the thorn on the rose
...
Time flies, make a statement, strike a pose
Just come along now, come along with me
Come along now, come along and you'll see
What it's like to be free
Come along, come along with me
...Come along now, come along and you'll see
What it's like to be free, yeah
...
Come along now, come along with me
And I'll ease your pain
Come along, come along with meAnd let's seize this day
Oh, come along with me
...
Time flies, make a statement, take a stand
Time flies, make a statement, take a stand

Time flies, make a statement, take a stand
Time flies, take your chance
Come along now, come along with me
Come along now, come along and you'll see
What it's like to be free
...
Come along, come along with me
Come along now, come along and you'll see
What it's like to be free, yeah
...
Come along now, come along with me
And I'll ease your pain
Come along, come along with me
And let's seize this day
Oh, come along with me
...
Oh, come along with me
