

# Come Along (Ryddm Flip)

## Titiyo

Play with it while you have hands

...

Dust settles, cities turn to sand

...Trespassing this is their land

...

Time flies, make a statement, take a stand

...

Come along now, come along with me

Come along now, come along and you'll see What it's like to be free

...

Come along, come along with me

Come along now, come along and you'll see

What it's like to be free, yeah

...

Come along now, come along with me

And I'll ease your pain

Come along, come along with me And let's seize this day

Come along, come along with me

...

Stay out, stay clear but stay close

...

Friends, foes, God only knows...

Let's be the thorn on the rose

...

Time flies, make a statement, strike a pose

Just come along now, come along with me

Come along now, come along and you'll see

What it's like to be free

Come along, come along with me

...Come along now, come along and you'll see

What it's like to be free, yeah

...

Come along now, come along with me

And I'll ease your pain

Come along, come along with me And let's seize this day

Oh, come along with me

...

Time flies, make a statement, take a stand

Time flies, make a statement, take a stand

Time flies, make a statement, take a stand  
Time flies, take your chance  
Come along now, come along with me  
Come along now, come along and you'll see  
What it's like to be free

...

Come along, come along with me  
Come along now, come along and you'll see  
What it's like to be free, yeah

...

Come along now, come along with me  
And I'll ease your pain  
Come along, come along with me  
And let's seize this day  
Oh, come along with me

...

Oh, come along with me
