Doesn't Make it All Right

Stiff Little Fingers

Just because you're nobody
It doesn't mean that you're no good
Just because there's a reason
It doesn't mean it's understoodIt doesn't make it all right
It doesn't make it all right
It's the worse excuse in the world
And it doesn't make it all rightSome people think they're really clever
To smash your head against a wall
Then they say, you got it my way
They really think they know it allIt doesn't make it all right
It doesn't make it all right
It's the worse excuse in the world
And it doesn't make it all rightJust because you're a black boy
Just because you're a white
It doesn't mean you've got to hate him
Doesn't mean you've got to fightIt doesn't make it all right
It doesn't make it all right
It's the worse excuse in the world
And it doesn't make it all rightIt doesn't make it all
It doesn't make it all
It doesn't make it all right
