

# Lazy Love

## Microcobra

(Verse 1)

Ohhh, my lobby call was 11:30  
I'm officially the opposite of early  
I gotta go downstairs  
Everybody waitin down there for me  
But I roll over into your curly hair  
And sexy body, oh so nice and curvy  
Reminiscing on last night  
Wake up baby, let me get it one more time  
Before, before, before

I gotta go, I got responsibilities I gotta take care of  
That's when you wrap them legs around me

(Chorus)

And I fall victim to that lazy love  
You got that I don't wanna, that I don't wanna go nowhere  
You got that lazy love  
You got that I don't wanna, that I don't wanna do nothing  
You got that lazy love  
You got that I don't wanna, that I don't wanna do nothing  
You got that lazy love  
You got that I don't wanna, that I don't wanna do nothing

(Verse 2)

Damn baby that was good  
I'ma hit the shower  
Even though I'm about two hours late  
But I can't help it man  
If they knew what I knew, they would understand  
I'm washing last night off, time to boss up  
When suddenly on my back I feel a soft touch  
She right behind me  
Water glistening off her body  
Looking at me like one more time  
But baby I gotta go, I got responsibilities I gotta take care of  
That's when you wrap them legs around me

(Chorus)

Oooo, Oooo, Oo, Oo  
Said Oooo, Oooo, Oo, Oo  
Oooo, Oooo, Oo, Oo  
That lazy love

Ohhhh, yeaaaaa
