

Crunch N Munch

Mike Jones

First I'm a get high, high, high
Then eat on Crunch 'n Munch, then eat on Crunch 'n Munch
First I'm a get high, high, high
Then eat on Crunch 'n Munch, then eat on Crunch 'n Munch First I'm a get high, high, high
Then eat on Crunch 'n Munch, then eat on Crunch 'n Munch
First I'm a get high, high, high
Then eat on Crunch 'n Munch, then eat on Crunch 'n Munch First I'm a get high, then eat on Crunch 'n Munch
I'm leanin' when I'm walkin' 'cause I been sippin' punch
When it come to weed, you know I got a bunch
And when I get high, I eat on Crunch 'n Munch I might be in the A , I might be in the H
The say, "I'm so bomb when they see me in L.A."
I love Crunch 'n Munch, flavor butter toffee
If you ain't put 5 on the weed, get off me I love Crunch 'n Munch, flavor butter toffee
If you ain't put 5 on the weed, get off me
I love Crunch 'n Munch, flavor butter toffee
If you ain't put 5 on the weed, get off me First I'm a get high, high, high
Then eat on Crunch 'n Munch, then eat on Crunch 'n Munch
First I'm a get high, high, high
Then eat on Crunch 'n Munch, then eat on Crunch 'n Munch First I'm a get high, high, high
Then eat on Crunch 'n Munch, then eat on Crunch 'n Munch
First I'm a get high, high, high
Then eat on Crunch 'n Munch, then eat on Crunch 'n Munch Lil' mamma cute, lil' mamma fine
But if she don't pay half she won't be smokin' mines
'Cause if you smoke with me, you gotta pay a fee
'Cause I gotta keep Crunch 'n Munch and weed next to me I got some Crunch 'n Munch, I got some killer dro
And when I run out I go and get some mo'
I got some Crunch 'n Munch, I got some killer dro
And when I run out I go and get some mo' I love Crunch 'n Munch, flavor butter toffee
If you ain't put 5 on the weed, get off me
I love Crunch 'n Munch, flavor butter toffee
If you ain't put 5 on the weed, get off me First I'm a get high, high, high
Then eat on Crunch 'n Munch, then eat on Crunch 'n Munch
First I'm a get high, high, high
Then eat on Crunch 'n Munch, then eat on Crunch 'n Munch First I'm a get high, high, high
