

# Still Here

## Claro Intellecto

You looked at me and saw what I never could see  
You made me be more than I thought I could ever be  
And when I needed a friend  
You were always there to lift me up  
To make me strong, you're not gone  
You're still here with me all the time  
You're still here when I close my eyes  
I still see you, I still feel you and we'll never be apart  
You're still here, still here in my heart, in my heart  
Because of you I knew how it felt to be loved  
Oh, yeah, yeah, yeah  
You made me feel beautiful 'cause you believed I was  
And I will never forget how you touched my life  
You made me feel like I belong, you'll live on  
You're still here with me all the time  
You're still here when I close my eyes  
I still see you, I still feel you and we'll never be apart  
You're still here, still here in my heart, in my heart  
All my life, you'll be in my life  
You'll be part of me  
I'll just think of you and you'll still be  
Ohh, you'll still be here  
You're still here with me all the time  
You're still here when I close my eyes  
I still see you, I still feel you and we'll never be apart  
You're still here in my heart  
I still see you, I still feel you and we'll never be apart  
You're still here in my heart  
In my heart, in my heart, in my heart  
Still here
