

Alicia Keys

You're used to the sound of a heart that's breaking  
 I know it dont phase you anymore  
 You're the king of the game that you're playing  
 I know you played it a hundred times before  
 You fill your bedroom up with trophies  
 Then you get a kick out of closing the door  
 Got all the words to keep on hoping,  
 I know you said them 100 times before. But then theres me, a fox for your gun  
 Then theres me, just love me for fun  
 Baby, theres me no use in pretending  
 Oh theres me.....101 I might as well stand stand in front of a bullet  
 Close my eyes and kick the chair to the floor  
 Its like a speeding train is coming,  
 I know youve crashed it 100 times before So then theres me, a fox for your gun  
 Darling theres me, just love me for fun  
 Ooooooh theres me no, no use in pretending  
 Oh theres me.....101 Everybody says I gotta be crazy  
 That I deserve everything that I get  
 But I got a feeling that makes me wanna ignore.....  
 All that youve done.... 100 Times before Cause then theres me, could I be the one  
 And baby theres me to make you undone  
 Uh darling theres me no use...., no use in pretending  
 Oh theres me, 101 Me, me, 101  
 So I gotta be, I gotta be, I gotta be 101  
 Maybe its time, maybe its me  
 Maybe I could be, let me pretend  
 I gotta be...., I wanna be....101,  
 Yeah Baby  
 Yeah baby
