Finding Home

Elessar UK

Just tell me one last time, where it is that I should stay tonight?
Because I can't quite make it alone (and I'm not choosing sides)
I left a space at the table side, if you feel like coming back inside
Cause this house is not my home, but it's a place that I can hide

Now I'm afraid, that when the rings left on the table, this could be the biggest mistake you've made.
And when we're alone, you'll think about how safe we were,
When we were young

We are, we are, all just kids who fell in love
But not for the first time
And I won't let you go, no I won't
We are, we are old enough to not grow apart,
We're in for a long night
And I won't let you go

I'm sick of answers I can't find, will you hide the truth in me tonight,
Cause the story I can't tell, is a perfect chance to lie,
Promise me things will be just fine, I'd give it all if I could find your smile,
Cause these years have been so cold but there's a fire in your eyes.....

We are, we are, all just kids who fell in love
But not for the first time
And I won't let you go, no I won't
We are, we are old enough to not grow apart,
We're in for a long night
And I won't let you go

Woahhh woahhhhh woahhhhh
Woahhhh woahhhhh woahhhh
Woahhhhh woahhhh woahhh
Woahhhhuh woahhhh woahhh

We are, we are, all just kids who fell in love
But not for the first time
And I won't let you go, no I won't
We are, we are old enough to not grow apart,
We're in for a long night
And I won't let you go

We are, we are, all just kids who fell in love
But not for the first time
And I won't let you go, no I won't
We are, we are, old enough to not grow apart,
We're in for a long night
And I won't let you go
