

Leave Me Alone

Da Brat

[interlude][da brat]Yo, don't be talkin' to me about no motherfuckin' problems.

Don't be talkin' to me about shit I don't wanna argue.

I don't wanna do shit, I just want a motherfuckin' smoke.

When I'm smokin don't fuck with me.

See what I'm sayin I don't need this shit.
