

Vivian

Nerf Herder

Electronic drums and synthesizers
Angular haircuts and black eyelinerWe'll start a new wave band
And then I'll make you mine
You'll play the keyboards
And everything will be alrightWe'll show the Soc's
We'll show the jocks
We'll show the Heshers
We can't be stoppedCome on Vivian
Put your glasses on
Yeah, you've gone away to med school
And I've gone out of my mindFlock of seagulls really busted out
Haysi Fantayzee made all of the kids shout
We've got a microphone and it's made out of plastic
We've got a show tonight, it's gonna be classicWe'll take on the world
And MTV
We'll rock the Math club
Christmas partyCome on Vivian
Put your glasses on
Yeah, you've gone away to med school
And I've gone out of my mindPut 'em on, put 'em on
Put 'em on, put 'em on
Put 'em on, put 'em on
Put 'em onPut 'em on, put 'em on
Put 'em on, put 'em on
Put 'em on, put 'em on
Put 'em onPut 'em on, put 'em on
Put 'em on, put 'em on
Put 'em on, put 'em on
Put 'em onPut 'em on, put 'em on
Put 'em on, put 'em on
Put 'em on, put 'em on
Put 'em onCome on Vivian
Put your glasses on
Yeah, you've gone away to med school
And I've gone out of my mindCome on Vivian
Put your glasses on
Yeah, you've gone away to med school
And I've gone out of my mind
