

What Will Become?

Fear Factory

Become...
Become...We've cut in, cut out
The face of man
Cut in, cut out
The face of...Time has given us no reason to live
Look to the future and you will see nothingWhat will become?
What will we be?
When we can see out own eternityWhat will become?
What will we be?
When we can see out own eternityWe've lost hope, lost fate
We've lost our way
Lost time, lost grace
We search for...Man has taken time from all that you see
Look in his eyes, see the future hold nothingWhat will become?
What will we be?
When we can see out own eternityWhat will become?
What will we be?
When we can see out own eternityWhat will become?
What will we be?
When we can see out own eternityMan has taken time from all that you see
Look in his eye and you still will not see
No! You will not see (x3)
No! You wil not...What will become?
What will we be?
When we can see out own eternityWhat will become?
What will we be?
When we can see out own eternityWhat will become?
What will we be?
When we can see our eternityWhat will become?What will become?What will become?What will become of us?
