Don't Wanna Try

Kumbia Kings

I can't believe you had the nerve to say the things you said
They hurt so bad that they ended our relationship
I can't believe it, four years gone down the drain
How I wished things would have happened so differently
I tried to say this many times, but still you couldn't see
You kept insisting, and resisting that you would not fall again
And now you trying to tell me that you're sorry
And you're trying to come back home
You're telling me you really need me crying
Begging, both knees are on the floor
But baby I, don't wanna try
Don't wanna try, don't wanna try no more
You keep insisting when you know
Our love is out the door
Don't wanna try, don't wanna try
'Cause all we do is fight
And say the things that hurt you bad
To where we both begin to cry
Don't wanna try, don't wanna try
I've 'bout just had enough
It's been a rough road,
Baby, just let it go
Don't wanna try, don't wanna try
Don't wanna try no more
Tell me what's the use of holding on
When all we do is hurt our love
Recuerdo cuando habl
