

# VenusÂ

## Shocking Blue

A Goddess on a mountain top  
Was burning like a silver flame  
The summit of beauty and love  
And Venus was her nameShe's got it  
    Yeah, baby, she's got it  
    Well, I'm your Venus  
    I'm your fire, at your desire  
    Well, I'm your Venus  
    I'm your fire, at your desireHer weapons were  
        Her crystal eyes  
        Making every man mad  
    Black as the dark night she was  
        Got what no-one else had  
        WoW!She's got it  
        Yeah, baby, she's got it  
        Well, I'm your Venus,  
        I'm your fire, at your desire  
        Well, I'm your Venus,  
    I'm your fire, at your desireAh-ah-ah-ah-ah-ah!  
    Ah-ah-ah-ah-ah-ah!She's got it  
        Yeah, baby, she's got it  
        Well, I'm your Venus,  
    I'm your fire, at your desire  
        Well, I'm your Venus,  
    I'm your fire, at your desire
