

# Solidify

Sheryl Crow

Pouring in and around the great wellspring  
Of simple feeling  
And I need bearings in the face of your  
Cool cool fire

Walking backwards with the pounding of your voice  
Makes my soul tired  
And concrete is  
As concrete doesn't

And voices can drown  
Why should I  
Why should I  
Why should I

Why should I  
Solidify  
Make me real  
So you can see me

I guess you thought  
I'd hide the sun from my liquid thoughts and  
Make ice for you  
You thought I'd seed my clouds

With the rain of your personal dreams  
I guess you thought I'd throw confetti  
At your parade of lofty thoughts  
I guess you thought I'd shine good morning

In some good morning Jack  
Surprise

Why should I  
Why should I  
Why should I  
Why should I?

Solidify  
Make me real

So you can see me
