

# Expectation

## Heavenly Beat

torn out of comfort  
thrown into life  
lean on the hope of  
leisure that's  
honest  
think about how all this time  
what i expected from myself  
dread the thought of all we'll find  
if you go reaching in that darkness  
breathing you in  
was the surest sign  
that even your scent  
could make me feel  
honest  
i wanted that and so much more  
won't accept that i lost out  
it hurts to think that all i've felt  
was only leading me nowhere  
the expectations of  
2 bodies gliding in the dark  
the expectations of  
what I imagined from the start
