And I Am Telling You

Sam Bailey

And I am telling you
I'm not going
You're the best man I'll ever know
There's no way I can ever go
No, no, there's no way
No, no, no, no way I'm not living without you
I'm not living without you
I don't wanna be free
I'm staying, I'm staying
And you, and you, and you
You're gonna love me
And I am telling you I'm not going awayEven though the rough times are showingThere's just no way, there's
no way I will
We're part of the same place
We're part of the same time
We both share the same blood
We both have the same mind
And time and time, we've had so much to see and
No, no, no, no, no
I'm not waking up tomorrow morning
And finding that there's nobody thereDarling there's no way
No, no, no way I'm living not without you
I'm not living not without you
You see there's no way, there's no way
Try it Mr, try it Mr
I know, I know, I know you can
Tear down the mountains
Yell, scream and shout like you can say what you want
I'm not walking out
Stop all the rivers
Push, strike and kill
I'm not gonna leave youThere's no way I will
And I am telling you I'm not going no
You're the best man I'll ever know
There's no way I could ever, ever goNo, no, there's no way
No, no, no way I'm living not without you
I'm not living without you, I'm not living without youI don't wanna be freeI'm staying, I'm staying
And you, and you, and you
You're gonna love me

You're gonna love me
Yes you will, camon
Love me, love me
Love me, love
You're gonna love
me
