

Top Of The World

Powerman 5000

Oh yeah!
Baby
Look around
Look around
Tell me what you see
It's goin' down without you
Look around
Look around
Show me anything
That makes you feel like I wanna belong
What have you got?
What do you need?
(From me now)
What do you think?
There's no difference between me and you
Hey!
What's on top of the world when you get there?
What's on top of the world?
(Hey, hey!)
What's on top of the world when you get there?
What's on top of the world?
Step it up
Step it up
Before you disappear
I'll crawl a mile 'neath your shoes
Step it up
Step it up
It's the payback
The fix told you what you needed to do
What have you got?
What do you need?
(From me now)
What do you think?
There's no difference between me and you
Hey!
What's on top of the world when you get there?
What's on top of the world?
(Hey, hey!)

What's on top of the world when you get there?
What's on top of the world?
What's on top of the?
(Hey!)
What's on top of the?
(Hey!)
What's on top of the world?
(Hey, hey!)
What's on top of the world when you get there waitin' for me?
Hey!
What's on top of the world when you get there?
What's on top of the world?
(Hey, hey!)
What's on top of the world when you get there?
What's on top of the world?
What's on top of the?
(Hey!)
What's on top of the?
(Hey!)
What's on top of the world?
(Hey, hey!)
What's on top of the world when you get there
And who's sellin' it to me?
It's here, it's gone
The sound its gotcha
It's here, it's gone
The sound its gotcha
It's here, it's gone
The sound its gotcha
It's here, it's gone
The sound
